Are women allowed to give Bible studies, teach, preach, anoint, prophesy, exhort, comfort, and use any and all Spiritual Gifts that God may give? Are there examples in the Bible of women doing any of these things? Did Christ preach and teach against women participating? Does God consider women "second class" Christians? In Matthew 28:19-20, does it say that *only* men are to follow Christ's instructions? Come and hear what Christ really has in mind for women! Come and Learn the TRUTH!
